### SECRETS, SIN, STRUGGLE, STRESS, SURVIVING Book Reviews

“Gee whiz, this is Great! Please hurry and get to our city. We would love to meet you. This book is off the chain. Everything you have gone through, it’s amazing you still have your sanity. From sinnin’ to stressin’, struggling and, yet, surviving. Be encouraged and stay encouraged.” – **Rev. Henry Michaels, Pastor**

“God’s anointing is on you. I was truly blessed by reading this simplified, but anointed book written by you, Dr. Milow. You blessed me by being so honest. You brought so much truth women normally hide. . . .” – **Dr. Cora Brown, Female Ph.D. Minister**

“Thank you for a wonderful true story. The truth hurts, but we do need to hear it. Thank you for sharing about the unfaithfulness of men and even about yourself. This took a lot of courage. You need to be in the spotlight (a TV talk show) to tell ‘this story.’ Again, thank you, most of all, for your sincerity in your relationship with God.” – **Dr. Mona Shearer, Book Reviewer**

“A brave and courageous woman really did it! I was wondering how long it would take for a real woman to come out with the secret about these ministers who hide behind the cloth. I enjoyed the simplicity of the book. It is an easy read, but very eloquently written.” – **Rev. Pauline Howard, Minister**

“What an inspiring book for young women. I salute this lady for being brave enough to tell her testimony of the things she’s been through, and how God has spared her life over and over again. Her courageous move from California—a new beginning—shows her strength in moving on and accepting. Her ‘stepping out on faith.’ Sometimes what God shows you, no one else can see. Through her experiences, she learned how to obey God’s words.” – **Octavia Harris, Reviewer**
